- Outline the responsibilities of all parties towards the elimination of bullying and violence in the school community, including the responsibility of parents to promote a positive and respectful school climate inside and outside school.

- School boards must see to it that each of their schools provides a healthy and secure learning environment that allows every student to develop their full potential, free from any form of bullying or violence.

- School boards must also ensure a healthy and secure working environment for their staff, and the staff must participate in ensuring a safe and respectful working climate.

- The plan is designed to support the optimal conditions required to guarantee the fundamental right to dignity, equality, and integrity, while respecting the unique character of each individual.

School Community Parties:

DEFINITIONS as applied in ABAV

Bullying

- “the word “bullying” means any repeated direct or indirect behaviour, comment, act, or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a **power imbalance** between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” ([art. 13, par. 1.1, QEA](#)).

Violence

- “The word “violence” means any **intentional** demonstration of force of a verbal, written, physical, psychological or sexual nature which causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property” ([art. 13, par. 3, QEA](#)).

Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by technological means.”
<https://www.legisquebec.gouv.qc.ca/en/document/cs/p-22.1>

Racism

- “Corresponds to the “set of ideas, attitudes and actions whose purpose is to make ethnocultural and national groups feel inferior socially, economically, culturally and politically, thereby preventing them from benefitting fully from the advantages to which all citizens are entitled.” Racist discourse is usually based on real or presumed physical and cultural differences.” ([MIDI, 2015](#))

Discrimination
