Findings				
<p>Assemblies in educational settings provide students with unique opportunities for learning and personal development beyond the classroom.</p> <p>Workshops led by special education technicians are invaluable for children to learn and develop social skills.</p> <p>Several links have been made with outside organizations. We are working on developing more links to provide services for our students.</p> <p>Workshops with SPVM community officers are beneficial for our students. We would like to have the SPVM community officers in more often and with more grade levels.</p>
